

Dear Parishioners,

Nobody likes to be alone at Christmas. We all say, “Nobody should be alone for the Holidays”, and I agree.

The real message of Christmas is that none of us really is alone. Jesus was born into the world with the one sole purpose of telling us all that we no longer have to be alone. He is with now, and always! For me this is a great reason to rejoice, to be happy and to celebrate!

In Jesus, we all have each other. He has made a family here at St Stephen and in Jesus we all belong.

This Christmas, please ponder this message because it is a very encouraging and comforting piece of news.

Jesus is with us in everything. We are all in this together and now is the time to celebrate the day when Jesus brought True Love into the world.

You and I, all have family on the other side of the Atlantic Ocean. Celebrate Christmas for them by attending Mass. Offer your Mass this Christmas for them and share Christ’s joy with each other here at your Parish Church.

I want to thank you all for making me so welcome at St Stephen King of Hungary. Already, in a few months, it feels like home!

May God Bless each one of you in a special way this Christmas and may all you family members have peace and joy in their hearts.

Merry Christmas
